OUR MISSION

A network of friends inspired by gospel values, growing in holiness and building a more just world through personal relationships with and service to people in need.

OUR HISTORY

St. Vincent de Paul Society of Marinette has been serving local families since 1922. Today, our programs include the lowest-priced local thrift store, our newest systemic change program, Getting Ahead, and the area's largest food pantry

We need you now more than ever.

As of 2023, St. Vincent de Paul Society of Marinette is the largest food pantry serving Marinette, Menominee and Oconto Counties.

In 2022, we were shocked to learn we had our busiest year to date in our food pantry - distributing over 275,000 pounds of food to our families in need.

However, as we near the middle of 2023, our projections are terrifying. We are on track to surpass 500,000 pounds of food.

A lot has factored into this boost in demand, from local food resource agencies closing their doors to Pandemic EBT benefits being discontinued, we are getting hit harder than ever before.

We are looking to our community to join forces with our pantry again this year as we continue to fight the war on hunger as well as grow our programs intended to give our clients the tools they need to break the cycle of poverty.

In Marinette, over 25% of our food pantry visitors are children.

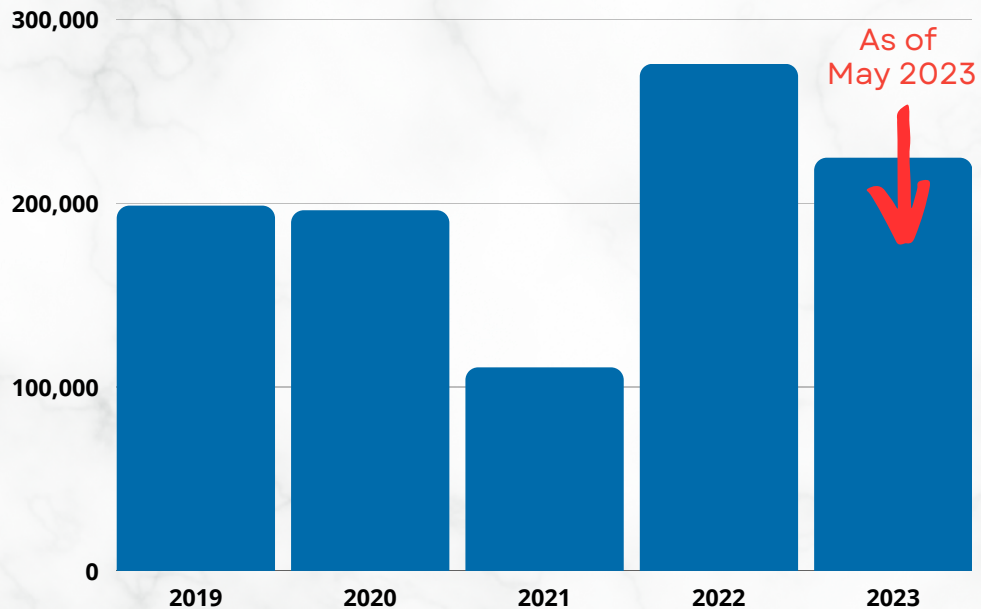

Become a St. Vincent de Paul Corporate Pantry Sponsor to fight hunger while enhancing your brand.

St. Vincent de Paul Society of Marinette, Inc

The Marinette District Food Pantry costs over \$100,000 annually to operate. However, over the last year, we have experienced a never-before-seen demand. Not only have local food resources diminished, but grocery costs are exploding -- leaving many working families turning to our food pantry to get by each week.

As of May 2023, we are on track to nearly double our 2022 demand.
